# OTTER OUTREACH!

## From the Principal

Dear ORE Families

Spring is approaching and learning is in full swing here at the ORE. As you may know, this is a time of year that students make the most academic and social learning improvements. Make school a priority. Very soon the weather will change with spring right around the corner. It can be challenging to keep our children focused on learning. What can you do to make school a top priority for your child? Keep these ideas in mind:

Make attendance your number one priority. Let your child know that unless they are sick, they must attend school (and be on time.) Make an effort to schedule appointments after school hours. Show you care. Talk about school activities and projects. Look at homework and other papers your children bring home. Remain positive. Try to set a positive example for your child, even when your own day has been challenging. If you show a positive attitude about your work, your child may feel better about their own. Testing is underway and our students are showing great growth. Help them stay focused with a healthy breakfast and a good night's rest. We are all one community who will work together to create a positive environment for our students and each other. Should you ever need anything, please do not hesitate to reach out to me. Educationally yours,  
Mrs. Griffin

## How to involve you Child in Choosing a High School

As your child grows, they start to discover what they enjoy and they start to think about future careers. With so many High School options out there, it is important to sit down with your children and discuss what they want. Involving your child in in the high school selection process can lead to better decisions and stronger outcomes.

By encouraging your child to have a voice and express their wants and needs you are allowing them to make a decision that will have a real, daily impact on their lives.

Here are several good ways to draw children into conversation and ensure that the ongoing discussion is productive as your family looks at options.

**Tour School Together** - School tours allow you to see facilities and meet teachers, but they also provide a natural time to discuss needs and wants, compare school offerings and exchange viewpoints. In short, it's a good way to start a conversation about which school is the best fit, and then keep that conversation going.

**Keep discussions Focused** - Eighth graders can be influenced by many of the things they see as they explore different schools, from the size of the athletic facility to the food in the cafeteria. Not all of it is relevant. Remind your teen that their opinions should be informed and not base on the views of others.

**Schedule a 'Shadow Day'** – Many schools allow eighth graders to spend a day at the school, observing classes, talking to students and touring the facilities. This is a great way for teens to get a good look at life in a particular high school.

All High Schools at TPS have career tech programs you just have to find the one that is right for you! Don't miss out on exploring some of your options at High School night on March 24<sup>th</sup>. If you have any questions don't hesitate to reach out.

## SLEEP FOR STUDENT'S HEALTH

Promoting healthy behaviors for school age children includes education about nutrition, physical activity, out of school time, sleep and health, and social and emotional climate according to CDC Healthy Schools. The following information was sourced from: <https://www.cdc.gov/healthyschools/healthybehaviors.htm>

Adequate sleep plays a role in the student's overall health and well-being. The proper amount of sleep at night helps a student stay focused, improve concentration and academic performance. Children and adolescents who do not get enough sleep have a higher risk for many health problems, including obesity, type 2 diabetes, poor mental health, and injuries. They are also more likely to have attention and behavior problems, which can contribute to poor academic performance in school.

How much sleep someone needs depends on their age. The American Academy of Sleep Medicine has made the following recommendations for children and adolescents:

Age Group	Recommended Hours of Sleep Per Day
6–12 years	9 to 12 hours per 24 hours
13–18 years	8 to 10 hours per 24 hours

Parents and guardians may consider doing the following strategies to support their children's healthy sleep routine:

- Model and encourage habits that help promote good sleep by setting a regular bedtime and rise time.
- Dim lighting. Adolescents who are exposed to more light (such as room lighting or from electronics) in the evening are less likely to get enough sleep.

Implement a media curfew. Technology use (computers, video gaming, or mobile phones) may also contribute to late bedtimes.

## MEDICATION

---

Students who must take medication during the school day must have the appropriate authorization form completed by the doctor. All medications will be dispensed from the office. According to Toledo Public School Board of Education Policy, an adult must bring the child's medicine to the office and the medication must be in the original bottle. We cannot accept medications that are brought in by the child. Please bring in a month's supply of medication at a time. All medications, **PRESCRIPTION AND OVER-THE-COUNTER MEDICATIONS** (such as aspirin, antacids, cough syrup, cough drops etc.), require a doctor's form and can only be dispensed through the office!!

# ABSENCES

---

Parents of students who are absent from school can notify the school of the student's absence by leaving a message on the Attendance phone at **419-671-6351**. This recorder is on 24 hours a day, so parents may call at any time. Please be sure to call by 9:30 A.M. on the day of the absence. If a parent does not call and notify the school of their child's absence a written note explaining the absence or tardy must be signed by the parent or guardian and sent to school when the child returns to school. Excused absences are for illness, death in the immediate family, and doctor/dental appointments. If doctor/dental appointments are made during school hours, the child should present a written request for excusal, stating the time of the appointment to the teacher. Students may be released one-half hour before the appointment. Excusals for doctor/dental appointments require written excuse from the doctor/dentist. Students who arrive late or are picked-up early, without a written doctor's excuse, are considered absent for a portion of the day. As a reminder, the state allows a total of 10 unexcused absences a year. Please be sure that you use these days sparingly.

# HAVE YOU MOVED?

---

If you have moved or changed your telephone number, we are asking that you update your records with the school office and provide proof of residency. This will ensure that we will be able to contact you in case of an emergency.

# DO YOU HAVE QUESTIONS?

---

If you ever have questions or concerns about what is going on in your child's classroom please remember to contact their teacher directly. They will BEST know what is going on as they spend the majority of time with your child. If need be, the teacher will direct your questions/concerns to the principal or other necessary personnel. Please do not use Ottawa River's Facebook page as a place to find answers to your personal questions/concerns. For the most accurate and up to date info – call or email your child's teacher directly.

# VISITORS TO OUR BUILDING

---

Parents and other interested persons are always welcome at Ottawa River. Any visitors to the building will be required to comply with the District guidelines as pertaining to masks. Masks must be worn in the building at all times and must fit over the nose and under the chin. To maintain a disruptive free environment all visitors, parents, and guests are required to have an appointment with classroom teachers (even for phone and virtual meetings). On the day of the appointment, for safety purposes, you will be required to report to the office before proceeding to classrooms or other parts of the building. Visitors will be issued a "VISITOR PASS" with their name, destination, and date that they are required to wear. Visits to other parts of the building will require administrative approval and are generally discouraged. Volunteers will be issued a "VOLUNTEER BADGE" which they are required to wear while working in the school as a volunteer. All students, parents, and visitors to the building must enter through the Main entrance and buzz to be let into the building. **Due to increasing security concerns, parents will not be permitted to walk their children to class. If a parent needs to dismiss their child early an ID must be presented.**

## Kroger Community Rewards Sign-Up

---

By making the Ottawa River PTO your Community rewards recipient, a percentage of every shopping trip you make to Kroger will come back to the school!

### Signing up is simple:

- 1) Sign-in or create an account
- 2) Click on My Account
- 3) Scroll Down to Community Rewards
- 4) Click Edit
- 5) Find our organization (Ottawa River Elementary PTO, Organization Number 80037)

## Mask Protocols

---

Just a reminder that masks protocols have changed. Students and staff are no longer required to wear a mask, but may still wear them if they so choose. The District will continue to monitor cases of Covid and guidelines set forth by the Lucas County Health Department. We will make you aware if the mask policy changes again.

## LUNCHES

To ensure that all students are getting the best education they can we will no longer be calling classrooms to inform students of dropped off lunches. If you forgot your child's lunch we will be happy to provide them with a free school lunch. Thank you for helping us to keep our school focus on education.

As a reminder we no longer have an open lunchroom policy. To keep all students safe and lunchtimes running smoothly we ask that if you are volunteering in the building you do not stop to have lunch with your child. Their classmates do not understand and feelings can get hurt.

## Coats, Hoodies and Sweatshirts

Please remember that, weather permitting, our students will be going outside for recess, so make sure that they are dressing warmly (coats, hats, gloves, etc.) Also, remember that your student may wear a hoodie (but not with the hood up) or a sweatshirt if they are cold while in the building.

## Closing and Delays

It's that time of year again where occasionally it is necessary to close or delay the start of school due to inclement weather. If there is a possibility of severe weather, please tune in to the local television or radio station after 6:00 A.M. If we are closed, it will be announced "Toledo Public Schools are closed." If there is a delay it will say, "Toledo Public Schools are on a two hour delay." A two-hour delay means we will start at 11:00 a.m. rather than 9:00 a.m. Morning busses will pick up two hours later than the normal times. Sometimes a two hour delay may change to a closing, so please watch and listen for an update. Please do not call the school for information on closing or delays.

## Snack Cart

The cafeteria will once again be having Snack Cart!! Snack Cart will be open during your child's lunch period on Tuesdays and Thursdays. They will have the following items:

Chocolate Chip Cookies for 35 cents, Fruit Snacks for 25cents, frozen slushie cups for 50 cents and Chips for 75 cents.

# Ottawa River Sprit Wear

## High School Night

---

Parents of our 5th through 8th Grade students, please plan to attend our High School Night on Thursday March 24th to find out all of the options that TPS offers for High School. We will have representatives here from Woodward as well as some of the other specialized schools that TPS offers. High School Night will run from 5:00—7:30.

## **Arrival Routine**

**A note to parents/guardians who will be DRIVING/WALKING their student(s):** • Doors open at 8:45 AM. Breakfast will be provided for home consumption. ***If you arrive early, please remain in your car.*** We are using multiple entrances this year for student entry, so please use the assigned entries for car riders as indicated below. **For our students' and staff members' health and safety, parents may not get out of their vehicles when dropping off or picking up students.** • Students will not be permitted to wait in the front lobby before school or enter the building prior to 8:45.

### **Arrival Routine for All Students**

#### **Walkers and Car Riders**

- Masks must be worn by both students and adults during drop-off.

#### **Times and Locations:**

In order to minimize traffic congestion, drop-off times and locations will be as follows:

- Kindergarten, First & Second graders will enter main doors by front office
- Pre Kindergarten, Third & Fourth graders will enter the side doors off of 290th. (bus doors)
- Fifth, Sixth, Seventh, & Eighth graders will enter the Jr. High doors near the playground

As students enter the building they will need to have a mask on and will be given hand sanitizer.

- When car riders/walkers enter the building, they will proceed on their designated route directly to their classroom. Doing this will help minimize hallway traffic and lead them directly to their home-room.
- While the building is not open to visitors (outside of needing to speak to someone in the office which will require a face covering), families are permitted to park in a designated parking space and walk their child to the door as long as all individuals are wearing a mask and practicing appropriate social distancing between families.
- All individuals who will be dropping off students (ex: babysitters, siblings, grandparents) must be made aware of these procedures prior to drop-off.
- **Patience and Kindness:** Please remember that we are an elementary school serving young children. Your patience during school arrival is important as we anticipate an increase in car traffic this year.

#### **Bus Riders:**

- **Seating:** Each bus will have a mandatory seating chart with assigned seats. Students will be seated with siblings whenever possible.
- **Drop-Off Location:** Buses will drop off students in designated locations. The bus lane is on 290th street. Bus riders will use the side doors no matter what age group.

## **Dismissal Routine**

Students will be dismissed wearing their mask and must keep it on until they are either in their car or have exited the bus at their final destination. Students should move to their bus or car as quickly and safely as possible, following staff directives and maintaining maximum social distance from their peers and staff.

### **Walkers and Car Riders**

- **Walker Dismissal:** Students that will be walking home will be dismissed beginning at 3:00. **Walking means they are walking to their home. Parents should not be parked in the staff parking lot waiting to pick up their “walking” student.**

- **Pick-Up Location:** If you are here to walk with you child please meet your child at their designated location. There will be **no pickup** at the Primary entrance.

Pk-4 will be released at the side entrance - please pay attention to the posted signs

5 -8 walkers will be released from the Jr. High doors - please pay attention to the posted signs

### **Car Dismissal**

**Pre-K students will be dismissed to their parents in the parking lot located behind the building.**

Car dismissal will begin at 3:15. If you are planning to pick your child up, please stay in your car and follow the curve to the marked pick up zone area. Do not park or get out of your car. Please be ready to move with the line to prevent backups. The driveway in front of the school is designated for buses only.

- **Family Names:** Parents/guardians will be given two papers with your family name on them. When you pick up you must have your family name card displayed when entering the parking lot so student(s) are ready when the car line moves. Parents/guardians wishing to meet a student to walk them to the car, must park in a parking space and walk to the waiting area on the sidewalk. Family names/numbers must be displayed while waiting.

Any family needing more than two name/number tags are asked to make their own additional tags by writing their name and number clearly on a large piece of paper.

- **Traffic-** Traffic backs up quickly as cars arrive but begins moving smoothly once we start loading students. Please always be on the lookout for individuals walking in the parking lot, including students, family members, and staff. Remember that “you are right when you turn right”... enter the parking lot by turning right and exit the parking lot by turning right. This will ensure smooth traffic flow and safety.
- **Communication:** All individuals who will be picking up students (ex: babysitters, siblings, grandparents) should be made aware of these procedures prior to picking up students. • **Patience and Kindness:** Please be patient as traffic volume may increase this year. Our goal is to get all students home safely and in a timely manner.

### **Bus Transportation Guidelines:**

- Students who requested transportation will be placed at a bus stop. Visit the [District Map on our website](#) to find bus stop times and locations.
- School buses are confined spaces that require a particular focus on social distancing.
- Students will have an assigned seat and bus drivers will keep a seating chart
- For the health and safety of our students and bus drivers, we are reducing the number of student riders per bus
